DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Mr. Ollie Bowen is 89 years old and has lived in this immediate neighborhood most of his life. He has lived in this house since . Ollie's uncle, Edward L. Bowen, built this house for himself in 1914. Edward L. Bowen was one of the later operators of Beniah Bowen's store in Port Republic.

The original house did not have the L-plan seen in the photographs. The parlor and kitchen wing are later.

The front (West) facade is three bays wide and one bay deep. It is two stories in height and has a gable-end roof which is covered with sheet metal. A full porch covers the first story. The east wing joins the main block on its north end and is also two-stories in height. A small porch occupies the corner formed by the L.

Throughout the building, one finds 2/2 regular fenestration.

Two chimney flues (space heaters) serve the two wings independently.
